

Equus Beds Groundwater Management District No. 2

Inactive Well Agreement

I, _____, the undersigned and owner of an inactive water well, understand the water well must be properly constructed, sealed, identified, and maintained to prevent groundwater contamination and to protect the public health and safety during the water well's inactivity.

The inactive water well is located _____, _____, _____, Section _____, Township _____ South, Range _____ East/West, _____ County which is approximately _____ feet north/south and _____ feet east/west of the apparent _____ section corner. Total well depth is _____ feet and the diameter of the well is _____ inches. Current depth to static water level in the well is _____ feet below land surface. The well was previously authorized by water permit no. _____.

I agree to properly construct, seal, identify, and maintain the inactive water well as required by the Equus Beds Groundwater Management District rules and regulations K.A.R. 28-30-200 through K.A.R. 28-30-207 and to the following agreement provisions:

1. Remove all pumping equipment from the water well.
2. Make the above described water well inactive: a) by _____, 20____, or b) within 30 days after the replacement well, approved by a change in point of diversion, becomes operational.
3. Properly construct, seal, identify, and maintain the inactive well as described in K.A.R. 28-30-204.
4. Provide access for the District to periodically inspect the inactive water well.
5. Submit a completed inactive well form (WWC-6) to the Kansas Department of Health and Environment within 30 days after the well is placed in an inactive status and submit a copy of the form to the District within the same period of time.
6. The term of the agreement expires _____, 20_____.
7. Before the expiration of the agreement, one of the following options will occur: a) the water well is made active, b) the water well is plugged or c) the inactive period is extended.
8. Notify the District of any change in the condition of the water well.
9. Failure to comply with the provisions of this agreement shall constitute non-compliance of the groundwater management district rules and regulations K.A.R. 28-30-200 through K.A.R. 28-30-207.
10. Non-compliance may result in the above described water well declared an abandoned well by the District.
